### DELIVERY METHODS

1. Door Delivery: Delivery time starts from the day you place your order to the day one of our delivery associates makes a first attempt to deliver to you. Delivery will be attempted 2 times over 5 days (7.00 am to 5.30 pm) after which the item will be canceled.
2. Pickup Stations: Delivery time starts from the day you place your order to when you receive the first SMS to pick up your order from our pickup station. Please note: 9mobile subscribers may be unable to receive text messages. Ensure you pick up your item within 5 days, otherwise, it will be canceled.
